

To ALL HALLSVILLE ISD EMPLOYEES!

FROM THE HALLSVILLE ISD EDUCATION FOUNDATION

Have you ever wanted to do something a little different, more challenging and innovative for your students, but didn't have the funding to buy what you needed?

Have you ever said, "If I only had the money, we could..."

Well, this is the answer!

The Hallsville ISD Education Foundation is ready to reward your creativity and ideas by providing the funds. While this is a competitive application process, it is very easy to do. All you need to do is submit a simple application to the Foundation. Here's more about grant writing training...

The project is appropriate if you can answer yes to the following questions:

- Is it important to learning?
- Can it be done?
- Is it practical?
- Is it new to you? (If you are seeking recognition for something already completed, it is inappropriate.)

In order to be successful, you will want to have a good understanding of exactly what the Grant Committee is looking for in each application. There are workshops planned to explain and show you what you will need to know about the grant process. This training is designed to answer your questions! Contact the Foundation Office at Ext. 5425, to schedule your training today!

Online applications are available on the Hallsville ISD Education Foundation website: www.hisdfoundation.org
